 - professional
- and an 'eye' for detail

Corflute Signs

Gain the competitive edge with the highest quality indoor and outdoor corflute signs, we custom manufacture to your specific requirements. No corflute sign job too large or too small. Corflutes can be cut to shape, scored and folded to the design of your project.

Lifesize Standee Cutouts

If you are looking to advertise a product or in-store promotion these corflute, cardboard or foamboard life size standees could be just what you need when looking for that point of difference and impact. They can be made life-size, self size and display counter size with the addition of a rear strut for support.

Pull-up Display Stands

We have the ability to design and construct a professional custom built display stand to suit your needs and budget any were in Australia. We offer a complete range of portable display solutions including pop-up display stands, retractable banners stands, counter display cards, non-retractable banner stands, pull-up display stands, roll-up banners stands.

Custom Wall Graphics

An ideal and economical way to promote a product, brand or just visual decoration.

We print full colour wall graphics and wall decals for promotional advertising or decoration and can be used on indoor and outdoor applications. All our wall graphics can be cut to any shape or size.

For vinyl banners with large and wide format digital graphics or computer cut letters, we use the highest quality banner vinyls with 3 to 5 years outdoor durability. Our full colour digitally printed banners are produced with materials which give the optimum balance of quality and price.

Floor & Carpet Graphics

An ideal, economical way to promote any product which encourages awareness and visibility of sales for promotional messaging. We print full colour floor, ground and asphalt graphics and stickers for promotional advertising or occupational health and safety issues that can be used on indoor and outdoor flooring. All our ground graphics can be cut to any shape or size.

We offer wide format digital printing and vinyl cut signage for all your requirements including vehicles, shopfronts, trucks, boats, taxis, machinery and all indoor and outdoor point of sale signage. Discuss your next project with our experienced team today.

Point of Sale

We have the ability to design and construct a professional custom built display stand to suit your needs and budget any where in Australia. These custom display solutions are designed to be permanent or transportable, allowing you to take your products and services to your customer.

Custom Dome Tap Top Decals

Price Screen and Digital produce custom, full colour tap top font decals and also supply the beer and cider tap top holders. With unique, distinctive and vibrant tap tops, your beers and ciders will certainly stand out from the crowd.

Custom Shape Tap Tops (plastic or metal)

Your custom design printed directly on plastic or metal to the shape of your creation. Why not go double sided with tasting notes on reverse for bar staff to promote your product.

Custom Tap Top Talkers

Tap talkers are an ideal and economical way to increase visibility of your brand and product on the top of beer taps in bars, pubs, clubs, restaurants and events. We can custom create your beer tap talker for your specific requirements.

Custom Keg Collars

Keg collars are an ideal and economical way to promote your brew and encourages awareness and visibility of sales and promotional messaging. Often custom keg collars are used to promote new products, promotional activities and date of production. We have two generic keg collar templates to choose from. Small 160mm diameter, medium 190mm and Large 230mm diameter.

Coasters

Perfect for all functions from birthdays, engagement parties, weddings, the list goes on. We can design your drink coasters from the start or work with supplied material or existing drink coasters.

Shelf Talkers

Shelf talkers can be custom cut to specific shapes or sizes to match the design of the products or shelving. Grab the attention of your customers in a perfect way to highlight your product from all the others.

Wobblers

Custom shelf wobblers are an ideal and economical way to increase visibility of your promotional message on the front edge of shelf displays in a retail environment.

Shelf wobblers are a widely used shelf edge display accessory that encourages awareness and visibility of sales and promotional messaging.

Can & Bottle Labels (front, back and neck)

Can and bottle labels for the beer, cider, wine, and spirit industry. Our labels come with a protective laminate and strong adhesive for a waterproof finish.

Personalised beer labels are great for corporate events, barbeques, birthday parties, weddings, bachelor parties or just for fun. Label your bottles front, back and neck.

Stickers, Decals and Labels (long life)

A major manufacturer of quality stickers, decals and labels for all applications Australia wide. From custom full colour diecut stickers and custom decals of any size, shape and quantity large or small to basic labels can be delivered Australia wide at short notice thanks to our high tech state of the art printing equipment and efficient staff.

Domed Resin Coated Labels

Our Lusta-Cal lensed coating is UV resistant, scratch resistant, non yellowing or cracking. This high quality flexible product ensures your Lustacal lens decal lasts the test of time for both indoor and outdoor applications. With an extremely flexible duro hardness our lens stickers are capable of adhering to slightly contoured, curved or textured surfaces.

Counter Cards

Counter Cards are a great marketing tool for your business. They are commonly used in businesses to announce special events and sales and can be displayed at information desks, waiting areas or countertops.

Electrostatic (Cling) Decals

Ideal for short promotional advertising with ease of application and removal for your next campaign. Whether you require permanent, removable or electrostatic decals, stickers or labels we have the best products for your application.

Posters

We can produce all your high quality custom size posters for your advertising needs. From business card size to 3000mm x 2000mm. Whether you require matt, gloss, laminated or encapsulated products, we have you covered for all events.

Brochures / Flyers

Brochures are an effective way to advertise your business to new clients. Whether it be special offers detailing your services or a simple promotion. Brochures, newsletters, product catalogues, magazines or flyers are a useful tool for advancing your business prospects. Brochures can be printed in almost any size in a wide range of designs.

Business Cards

Business cards have a profound influence on the way that clients perceive your business. We understand the need for a business card that is informative and practical yet incorporates an essence of character and style. A business card is an important tool that builds a reputation for you and your business that you are proud to present.

Swing Tags

Swing Tags are a wonderful way to get your message across. Swing tags make your products even more glamorous and are a direct viewpoint for your customers. Swing Tags can be used on special occasions such as weddings, functions and more.
